

Summary:

- Having **3+** years of experience in Java Development.
- Excellent development skills on server-side components and API developments.
- Experienced in developing of **REST APIs** and **Restful Controllers** using **Spring**.
- Knowledge on developing **Restful Web Services**.
- Good Working knowledge on Application Frameworks **Spring IOC, Spring JDBC, Spring Web MVC**.
- Experienced in implementing and using **Dependency Injection** for Spring Beans.
- Experienced in developing **Controlling logic** and **Persistence logic** and **Service logic** using Spring **WebMVC/ ORM/JDBC**.
- Hands-on experience on **Spring Boot** for restful API developments.
- Extensive knowledge on Object Oriented Development in **OOPs**, In-depth understanding of Collections, String Handling, Exceptions & Java 8 features.
- Strong knowledge on Core Design Patterns (Singleton, Strategy, Factory, Adapter, Proxy) and J2EE Design Patterns (Cache, DAO, DTO, BO, VO).
- Having good knowledge on Microservice Development.
- Experienced in Tools such as **Log4j, Maven, SVN, GIT, BitBucket, Jira** and **other Atlassian tools**.
- Having experience on UI frameworks like **Sencha** and **Angular**.
- Having 1+ years of working experience in Sencha ExtJS.
- Good knowledge on **ExtJS MVVM** architecture and involved in designing and developing UI components in ExtJS such as View, ViewModel, Model and Controllers.
- Have been involved to work on a POC application using **ExtJS Modern Toolkit** for mobile application. Have worked on both the toolkits: **Classic and Modern** in ExtJS.
- Having experience in handling Use Cases, Functional Specification, Knowledge Transfers. Possess excellent analytical problem solving, leading and learning skills as well as keen interest on emerging technologies, and a good team player.

Professional Experience:

- ✓ Currently Working as a Software Engineer at **Legato Health Technologies, Bangalore** from June 2018.
- ✓ Worked as a Junior Software Developer at **Rx Prism Health System Pvt. Ltd, Bangalore** from Nov 2016 to May 2018.

Professional Skills:

- Programming Languages: Java, ExtJS, Angular
- JSE/ JEE Technologies: JDBC, Servlet, JSP
- Web/Application Servers: Tomcat, JBoss, WebSphere
- Application Framework: Spring 4.x (IOC, MVC, JDBC), Spring Boot
- Rest API Client: Postman

- Database Knowledge: TeraData, DB2, MySQL, Oracle
- Database UI Tool: Teradata SQL Client, DB2 IBM Client, Heidi SQL
- Web Technologies: HTML, Java Script, XML, JSON
- JavaScript Frameworks: Angular, Sencha ExtJS
- Logging Tool: Log4j
- Build Tool: Maven
- Version Control Tool: BitBucket, SVN, GIT
- IDEs: Eclipse
- Project Management Tool: Atlassian Jira

Project Experience:

|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Project Name | V-Detail: Video Detailing Portal |
| Client | Rx Prism Health Systems Pvt. Ltd. |
| Role | MW/UI Developer |
| Environment | Java technology:- JDK 1.7, Servlet, JSP Java framework:- Spring Rest 4.x, Spring Security 3.x, Spring boot, Spring Web MVC 4.x, Spring JDBC 4.x. UI technology:- Ajax, jQuery, Java Script, HTML, CSS. |

Database:- Oracle 10g, MySQL.

Server: - Tomcat 7.0, JBoss

IDE :- Eclipse, SQL Developer, Heidi SQL

Tools Used

Logging Tool:- log4j

Build Tool:- Maven

Version control Tool:- SVN

Bug Tracking Tool: Mantis Bug Tracker

Responsibilities

- ✓ Involved in development of Controllers using spring web MVC and Spring Security with Spring Rest.
- ✓ Involved in development of DAO Layer using Spring JDBC and Hibernate.
- ✓ Involved in creation and implementation of SQL queries and Procedures/Functions.
- ✓ Involved in developing and enhancing functionality of the application as per customer's requirement.
- ✓ Involved in the basic functionality testing of the application.

Professional Recognition:

- ✓ Awarded with "***Pat on the Back***" for performance with in 6 month of joining Legato Health Technologies.

Academic Profile:

- ✓ Completed **B.Tech.(CSE)** in **2016** from Gandhi Institute of Industrial Technologies, Berhampur under **BPUT, Odisha** with **CGPA of 7.3**.
- ✓ Completed **Diploma(CSE)** in **2011** from Uma Charan Pattnaik Engg. School, Berhampur under **SCTE&VT, Odisha** with **CGPA of 7.3**

I hereby declare that the above particulars are complete and true to my knowledge.

Place: Bangalore
